

SPE INTERNATIONAL POLYOLEFINS CONFERENCE

A FORUM FOR NEW IDEAS AND INNOVATION

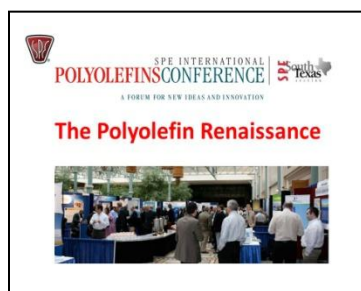

Polyolefins Conference [2013](#) Videos & Proceedings

2013 Plenary Keynote Talks \$25 [Order](#); 2013 Tutorial Videos \$50 [Order](#); 2013 Conference Proceedings \$50 [Order](#); Entire Proceedings plus Plenary Keynote & Tutorial Videos \$100 [Order](#); see details below:

You can view "[Introduction to the 2013 Polyolefin conference](#)", Tim Roberts (LyondellBasell) talking about "[Feedstocks -- North American Petrochemical Industry](#)", and Reed Walker talking (Milliken) about "[Nucleators and Clarifiers](#)" **for Free**

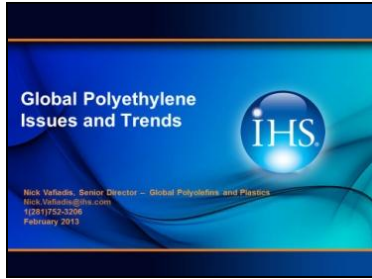

Videos of the Plenary Keynote Talks at the [2013](#) SPE Polyolefin Conference

[Introduction to the 2013 Polyolefins Conference](#)

Length: 21 mins **Click on title to View for Free**

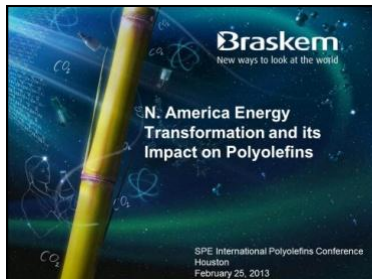

Dr. David R. Hansen
Chairman, 2013 SPE International Polyolefins Conference
Robert Portnoy
President, SPE South Texas Section
Willem De Vos
Chief Executive Officer, SPE
Dr. Thomas Walsh
Plenary Session Chairman, 2013 Polyolefins Conference

"Global Polyethylene Issues and Trends"

Length: 44 mins

Nick Vafiadis
Sr. Director
IHS-Chemical

"North America Energy Transformation and its Impact on Polyolefins"

Length: 31 mins

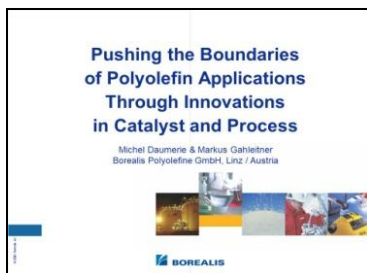

Sri Iyer
General Manager/Director of Finance, Planning & Strategy and Innovation & Technology
Braskem America

"Feedstocks - North American Petrochemical Industry"

Length: 32 mins **Click on title to view for Free**

Tim Roberts
Senior Vice President Olefins & Polyolefins - Americas
LyondellBasell

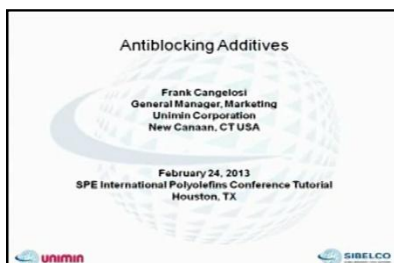

"Pushing the Boundaries of Polyolefin Applications Through Innovations in Catalyst and Process"

Length: 37 mins

Michel Daumerie
Director
Borealis Group

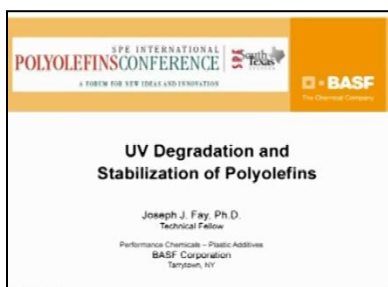

Videos of the Tutorial Talks at the [2013 SPE Polyolefins Conference](#)

"Antiblocking Additives"

Length: 29 mins

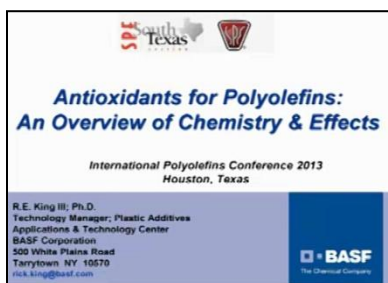

Frank Cangelosi
General Manager, Marketing
Unimin Corporation

"UV Degradation and Stabilization of Polyolefins"

Length: 30 mins

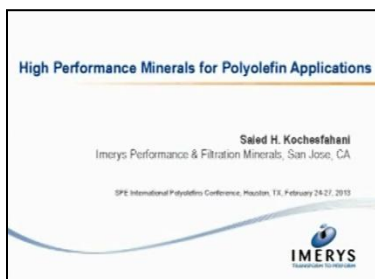

Joseph J. Fay, Ph.D.
Technical Fellow
BASF Corporation

"Antioxidants for Polyolefins: An Overview of Chemistry & Effects"

Length: 34 mins

R. E. King III; Ph.D.
Technology Manager, Plastic Additives
BASF Corporation

"High Performance Minerals for Polyolefin Applications"

Length: 33 mins

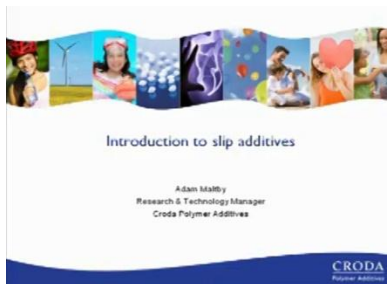

Saied H. Kochesfahani
Imerys Performance & Filtration Minerals

"(Fluoro)polymer Processing Additives (PPAs): Benefits and Use"

Madhusudan Chari
*Advanced Materials Division
3M*

Length: 31 mins

"Introduction to Slip Additives"

Adam Maltby
*Research & Technology Manager
Croda Polymer Additives*

Length: 35 mins

"Nucleators and Clarifiers"

Reed Walker
*Global Product Line Manager
Milliken*

*Length: 25 mins **Click on title to view for Free***
