

SPE INTERNATIONAL POLYOLEFINS CONFERENCE

A FORUM FOR NEW IDEAS AND INNOVATION

Polyolefins Conference 2014 Videos & Proceedings

2014 Plenary Keynote Talks \$50 [Order](#); 2014 Tutorial Videos \$50 [Order](#); 2014 Conference Proceedings \$100 [Order](#); Entire Proceedings plus Plenary Keynote & Tutorial Videos \$150 [Order](#); see details below:

You can view "[Introduction to the 2014 Polyolefin conference](#)", Tim Roberts (LyondellBasell) talking about "[Feedstocks -- North American Petrochemical Industry](#)" in 2013, and Reed Walker talking (Milliken) about "[Nucleators and Clarifiers](#)" **for Free** to see what the Plenary and Tutorial videos are like.

Videos of the Plenary Keynote Talks at the 2014 SPE Polyolefin Conference

[Introduction to 2014 SPE International Polyolefins Conference](#)

Length: 16 mins **Click on title to View for Free**

Dr. David R. Hansen
Chairman, 2014 SPE International Polyolefins Conference
Dr. Thomas Walsh
Plenary Session Chairman, 2014 Polyolefins Conference

"Global Polyethylene Issues and Trends"

Length: 45mins

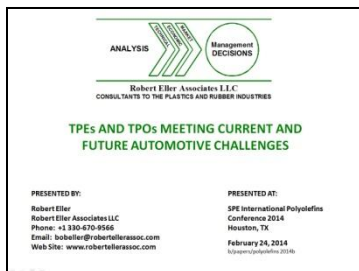

Nick Vafiadis
Sr. Director
IHS-Chemical

"Latin America - Market for US and Canada Shale Gas Based PE"

Length: 29 mins

Jorge Buhler-Vidal
Polyolefin Consulting, LLC

"TPEs and TPOs Meeting Current and Future Automotive Challenges"

Length: 31 mins

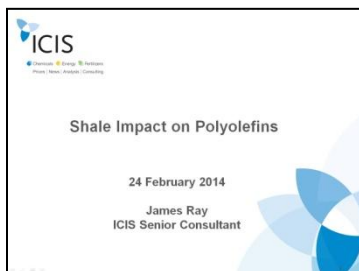

Robert Eller
Robert Eller Associates

"Pushing the Boundaries of Polyolefin Applications Through Innovations in Catalyst and Process"

Length: 21 mins

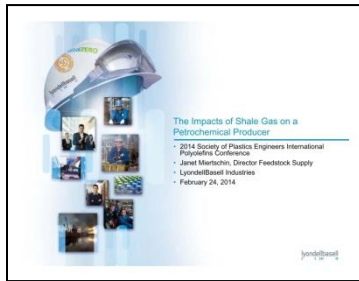

Mike Zamora
Vice President
Exxon Mobil

"Shale Impact on Polyolefins"

Length: 20 mins

James Ray
Senior Consultant
ICIS

"The impacts of Shale Gas on a Petrochemical Producer"

Janet Miertschin
 Director Feedstock Supply
 LyondellBasell

Length: 22 mins

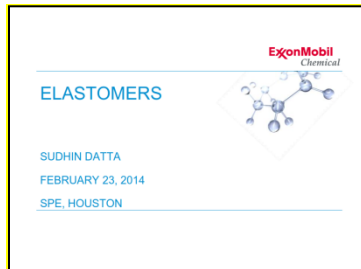

Videos of the Tutorial Talks at the 2014 SPE Polyolefins Conference

"Introduction: Polyolefins Fundamentals and Applications"

Patel Rajen
 Fellow
 Dow Chemical Corporation

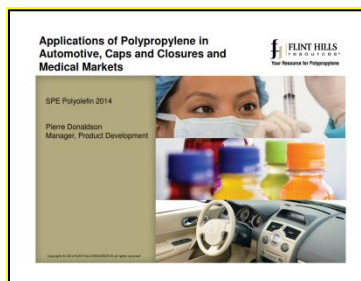

Length: 90 mins

"Elastomers"

Sudhin Datta
 ExxonMobil

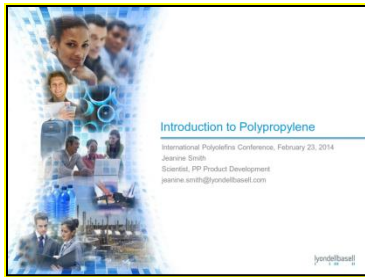

Length: 30 mins

"Applications of Polypropylene in Automotive, Caps and Closures, and Medical Markets"

Pierre Donaldson
 Manager, Product Development
 Flint Hills Resources

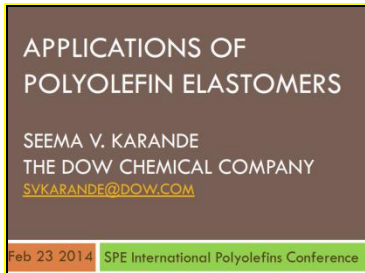

Length: 41 mins

"Introduction to Polypropylene"

Length: 52 mins

Jeanine Smith
*Scientist, PP Product Development
LyondellBasell*

"Applications of Polyolefin Elastomers"

Length: 63 mins

Seema Karande
Dow Chemical
